### **Nutzen**

All ADG's WBTs follow learner-friendly and practitioner-oriented didactical approach, combining the delivery of technical knowledge through motivating and small e-learning modules. This means:

- You will be provided with various interactive learning elements, such as scenarios, which will help you apply what you have learnt and transfer your daily working routines.
- You have the opportunity to enhance the knowledge you have gained through self-study with in-depth webinars.
- Learning content that isn't delivered through plain text or video lectures but through quizzes and games, facilitating the acquisition of knowledge.
- Learning content that will be accessible any time and serves as a reference point for your daily operations.
- Well-prepared and compact learning sessions smoothly integrate throughout your day. That is, processing time in each e-learning module is longer than 20 minutes and can be used and continued at the participant's discretion.
- Contact persons who are available any time for both technical and content-related questions.
- You will be provided with handouts that you can print on your device as a resource for your daily operations.
- Certificate of participation (on demand)
