Diese Veranstaltung richtet sich an

Anyone who wants to strengthen their own resilience: All staff, including middle and senior management, gain resilience" individual level | Anyone who wants to strengthen individual resilience

The e-learning course will familiarise you with all 7 keys to resilience and provide you with tips to apply them

personally, on an individual level. This will not only help you deal with stress, but also with all sorts of challenges in your personal

environment. After all, resilience can be learnt and trained and it's been scientifically proven that you recover faster

after a crisis. Also, resilient individuals don't experience the effects of a crisis as strongly as non-resilient ones.

Nutzen

All ADG's WBTs follow a learner-friendly and practitioner-oriented didactical approach, combining the delivery of technical knowledge through motivating and small e-learning modules. This means:

- You will be provided with various interactive learning elements, such as scenarios, which will help you apply what you have learnt and transfer it to your daily working routines.
- Well-prepared and compact learning sessions smoothly integrate throughout your day. That is, processing time of each e-learning module is longer than 20 minutes and can be used at the participant's discretion.
- We will provide you with fundamental knowledge and background information on resilience.
- You will get a basic understanding of resilience.
- You will also dive into the seven keys to resilience which can open the door to enhanced inner balance and increased mental health and well-being for you.
- The course can help you and your team stay resilient, even in times of crisis.
- You have the opportunity to enhance and deepen the knowledge you have gained through reflection exercises.
- You will be provided with templates like a personal learning journal that you can use continually to self-reflect and incorporate your learnings into your daily working routines.
